I have no doubt about the phenomena  
being just what it is claimed to be,  
viz: the spirits of our passed-over friends  
reappearing in material covering again.  
Go to Terra Haute Ind. and remain a  
week with Dr. Pouse. You will see and  
hear, and touch your spirit-friends without  
doubt in the presence of Mrs Stewart.  
Mrs. Hollis Billings is not an extravagant  
liver, and yet she is not clad as the  
lily of the valley. - Surely her services are  
of some value to the dark and doubting  
mind of the intellectual skeptic. -  
James Adams talks by the hour, in a  
dark room. - Your friend Fisher talked  
to Mr. Cerry under such conditions a full  
hour. - If you would receive the blessing  
of full conviction, you must attend  
upon the means of grace. - Go where  
mediums are - at home or abroad.

The literature of spiritualism is too  
rich and able to go much astray in your  
selection. Cunnell's "Modern Spiritualism &  
ancient Christianity," contains great arguments.  
But whoever gives Mr. Davis' works a fair,  
candid reading, has compassed all that  
is valuable to <sup>and</sup> able understanding of the  
phenomena and philosophy of modern spirit-  
ualism. With sincere respect & fraternal  
regard, I am Yours truly N. B. Wolfe

Dear Sir.

Your letter of the 12<sup>th</sup> inst. finds me at this place, where I shall remain until April 1<sup>st</sup>. It is my intention then to return home to Levin. O. I wish I could answer your letter more fully than my engagements will allow. Of necessity I must be brief. -- I have continued my investigations of spirit phenomena with increased interest, and care. Since I wrote Startling Facts, I have walked and talked with a materialized spirit for the space of ten minutes, through a public hall, in the presence of 40 people, all of whom saw and heard as I did, the spirit and the voices.
